Where we are

Lyons Languages is located in the beautiful historic city of Ely, famous for its cathedral. One of the smallest cities in the UK, Ely nevertheless offers plenty to do and see and is a great base for exploring the east of England. London and Cambridge are easily reached by train. See more about Ely at www.visitely.org.uk.

Stay in an English home

Ely provides a safe and friendly environment for young people and all students will be accommodated with carefully selected local homestay hosts. This provides the ideal opportunity for practising English in a welcoming domestic setting, learning about English culture and making new friends.

English studies

Practising English should be fun and engaging and isn't just learnt in the classroom. Our programme is designed to build confidence by encouraging speaking and listening to English as much as possible. All classes are taught by qualified and experienced teachers.

Activities & excursions

Ely benefits from frequent direct rail services to London and Cambridge and full-day trips to both these exciting cities are included in this Study Holiday programme. As well as sightseeing and visits to places of interest, there is always time for shopping and exploring.
